Erode, Tamil Nadu | +91 7598659947 | mohamedirfan3605@gmail.com | Portfolio | LinkedIn

SUMMARY

Recently graduated with a **Bachelor's degree in Computer Science Engineering**, with hands-on experience **building, deploying, and maintaining live full-stack web applications**. Strong foundation in **web development, databases, and programming**, with a growing interest in **data analysis and technical support**. A fast learner with strong problem-solving and adaptability skills, seeking an entry-level **Software Developer, Data Analyst, or Technical Support Engineer** role where I can contribute from day one while continuously developing my technical expertise.

SKILLS

- **Languages & Core:** HTML, CSS, JavaScript, Python, SQL, Ui/Ux
- **Tools:** Git/GitHub, Linux, Power BI
- **Other:** Quick adaptability, problem-solving, cross-functional teamwork, client-facing communication

PROJECTS

Find My Bus (FMB) — Real-Time Bus Tracking Platform

In Progress

- Building a real-time bus tracking system for mainly College Buses and Other buses, using **Flutter** and **Express.js** — built with an AI-assisted workflow, with geofence-based stop detection and ETA prediction.

Business Portfolio ([TECLIPSE](#))

Built and deployed a full-stack platform (**Firestore**, Vercel serverless functions, Hostinger) with an authenticated admin panel and a testimonial/achievement carousel with lightbox view.

Blood Donor Connect Platform ([SEVAGAN](#))

- Developed a web app connecting blood donors and recipients across cities with **OTP-based login**, Excel-based data storage, and automated **SMS alerts** for fast emergency donor discovery.

Turf Booking Site

- Built an online booking platform for sports turfs with live time-slot selection and **instant confirmation**, removing the need for phone/in-person booking.

INTERNSHIP

YardStick Digital Solutions — Full Stack Python Intern

Feb – Apr 2026

Coimbatore, Tamil Nadu

- Built and debugged full-stack web features (**HTML, CSS, JavaScript, Python/Flask**) covering responsive design, API integration, and deployment.

EDUCATION

Al-Ameen Engineering College — B.E., Computer Science and Engineering

2022 – 2026

Erode, Tamil Nadu

Kamaraj Municipal Boys Hr. Sec. School — HSC

2021 – 2022

Corporation High School — SSLC

2019 – 2020

CERTIFICATIONS

- Learn Brackets – The Open Source Text Editor — [EC Council](#)
- HTML & CSS — [Udemy](#)

ACHIEVEMENTS

- **1st Prize**, PPT Presentation & Project Expo — College-level event
- **2nd Prize**, Project Fiesta (Engineers' Day) — Al-Ameen Engineering College
- Participant, **AIM'25 Hackathon** — Infynd Pvt. Ltd., Coimbatore (team-based competitive coding)

LEADERSHIP & EXTRA-CURRICULAR

- **President**, Student Developer Club — Al-Ameen Engineering College
- **Secretary**, Computer Science & Engineering Department Association
